

Acknowledgements

Many of our friends — including members of the Northern Arizona Audubon Society, Northern Arizona University faculty, and employees of government agencies — participated in the preparation of this book. We are humbly grateful for the many and varied contributions of Russ Balda, Lyman Brainerd, Bill Breed, Tom Chabin, Bob Clemenz, Sue Clemenz, Troy Corman, Tony Croce, Virginia Gilmore, John Grahame, Heather Green, Jodi Griffith, Herb Henderson, John Hildebrand, Celia Holm, Richard Holm, Tricia Hurley, Phyllis Kegley, Jessica Korber, Dave Lamkin, Marcia Lamkin, Susi MacVean, Diane Miller, Mike Miller, Rick Miller, Elaine Morrall, Sandy Nagiller, Sue Ordway, Judy Radd, Roger Radd, Tammy Randall-Parker, Bill Watt and Steve Yoder.

John Coons and Chuck LaRue not only helped describe certain destinations but generously donated time and expertise in refining the “Specialties” list and the “Checklist.”

Our most special regard and appreciation go to Gary Romig, who prepared the maps, illustrations and layouts, designed the book, and arranged for publication.

Publication costs were underwritten by the Northern Arizona Audubon Society and the City of Flagstaff Arts and Science Commission. Book proceeds will help to support Audubon educational and conservation programs.
